

RD Certificate Number: EWS673

Res-Tec GRP Roof 1010 System

Description

This is an assessment of Res-Tec GRP Roof 1010 System used for waterproofing of roofs, balconies and walkways.

The System consists of GRP Roof 1010 Base Coat Resin and Chopped Strand (CSM) Fibreglass Reinforcement Roll / Taping Mat applied insitu over a good quality OSB3 deck. The roof is finished with pre formed GRP edge trims and a GRP 1010 Top Coat.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English, Welsh and Scottish Building Regulations.

Registration was first issued on 11/07/16 and is valid until 11/10/23 providing there are no amendments to applicable regulations.

Issue dated 30/11/2020
